1. EDUCATION

Ph.D., University of Delhi, 1968

M.A., University of Delhi, 1965

B.A. (Honours), Utkal University, 1963

2. MAJOR FIELD

Microeconomic Theory

3. POSITIONS HELD

July 2007 - : Emeritus Professor, Department of Economics, University of California, Riverside, California 92521.

July 1991 – June 2007: Professor of Economics, University of California, Riverside, California 92521.

June 1978 - June, 1991: Professor of Mathematical Economics, University of Birmingham, Birmingham B15 2TT, U.K.

Prior to 1978, I held regular teaching and/or research positions in a number of institutions including the Delhi School of Economics (Delhi, India), Nuffield College (Oxford, England) and Harvard University (U.S.A.). For short periods, I have been an academic visitor in the Australian National University (Canberra); the Institute for Advanced Studies (Jerusalem); the Institute for Advanced Study (Berlin); the University of Rennes (France); the University of Canterbury (New Zealand); Bogazici University (Istanbul); University of Bilbao (Spain); the State University of New York (Albany, New York); Hitotsubashi University (Japan); the University of Nottingham (England); Lingnan College (Hong Kong); Deakin

University (Australia); University of Montreal (Canada); Nankai University (China); and University of Stirling (Scotland).

4. EDITORIAL POSITIONS

1. Since July 2007: Advisory Editor, Social Choice and Welfare.
2. Since 2007: Member of the Editorial Advisory Board, Journal of Human Development.
3. Since 1992: Member of the editorial board of Journal of International Trade and Development.
4. Since March, 1995: Member of the editorial board of The Japanese Economic Review.
5. Since 2002: Member of the Editorial Advisory Board of Arthaniti (Economics journal published by the Department of Economics, Calcutta University, India).
6. Since 2005: Editor of the book series, Studies in Choice and Welfare (Springer, Berlin).
7. 1984 -June 2007: Managing Editor of Social Choice and Welfare.
8. 1975-1993: Associate Editor of Journal of Economic Theory.
9. 1979-1983: Member of the editorial board of the Review of Economic Studies.
10. 1972-1975: Managing Editor of Indian Economic Review.

5. AWARDS, ETC.

5.1. Awards

1. Fellow of the Econometric Society since 1979.
2. Fellow of the Public Choice Society since March 2004.
3. Fellow of the Human Development and Capability Association since September 2004.

4. Honorary doctorate awarded by the University of Caen, France, in 2000.
5. Carnegie Centenary Professorship in 2006, awarded by Carnegie Trust for Universities of Scotland (host institution: Stirling University, Scotland).
6. Elected President of the Society for Social Choice and Welfare for 2006 and 2007.
7. Doctoral Dissertation Advisor/Mentor Award 2003, University of California (Riverside).
8. Holder of President's Chair, University of California, 1991-93.
9. Mahalanobis Memorial National Award, 1986, awarded by the Indian Econometric Society.

5.2. Some invited lectures

1. Ravenshaw Memorial Lecture, (“Well-being and the measurement of living standards”), Ravenshaw University, India, 19 February 2008.
2. Lecture (“Inequality and deprivation in a multidimensional framework”) in Plenary Session 2 of the 6th International Conference of the Japan Economic Policy Association, Tokyo, 9 December 2007.
3. The Fifth Annual Yan Fu Economics Memorial Lecture of China Center for Economic Research, Peking University, China, 28 November 2007.
4. Carnegie Centenary Professorship Lecture (“The concept of welfare in economics”), Stirling University, Scotland, 15 November 2006.
5. Invited lecture (“Rights, freedom and welfare in economics”), Royal Society of Edinburgh, Edinburgh, 6 November 2006.
6. Condorcet Lectures (“Rights and Freedom”), University of Caen, Caen, France, 6 and 7 July 2006.
7. Presidential address (“Dominance, minimal relativism, and the measurement of living standards”), the 8th International meeting of the Society for Social Choice and Welfare, Istanbul, 13-17 July 2006.

8. Keynote lecture, 4th International Conference on the Capability Approach, Pavia, Italy, 6 September 2004.
9. Plenary lecture, Annual meeting of the Public Choice Society at Baltimore, March 2004.
10. Arrow Lecture, 6th International Meeting of the Society for Social Choice and Welfare, Pasadena, 11 July 2002.
11. Invited lecture, Conference on Logic, Game Theory, and Social Choice, Oisterwijk, Netherlands, 14 May 1999.

6. RESEARCH INTEREST

My current research interests lie mainly in the areas of welfare economics and the theory of social choice, decision theory (including the theory of choice under uncertainty and the theory of fuzzy preferences), and the measurement of deprivation and the standard of living. I am also interested in development economics and the methodology of economics.
